

Be a Preceptor

Serve your profession and shape the future of medicine

[LEARN MORE](#)

As a mentor/teacher

- Obtain a prominent appointment as a volunteer faculty.
- Gain access to potential employees.
- Receive faculty development training.

Your commitment

- A minimum of 80 hours to a maximum of 160 hours of community-based teaching and mentoring. For medical students, the minimum is 100 hours.
- Mentor 1 or 2 medical students at a time.

Benefits

- Earn 1 credit hour of Category 1 CME for every 5 hours as preceptor.
- Claim up to 60 credit hours in a 3-year cycle as member of AAFP.
- Apply for the Maryland Preceptor Tax Credit for a minimum amount of \$3000.*

**Tax credits will now be issued per eligible rotation versus per student. A minimum of three rotations is still required. Please see [Income Tax Credit for Preceptors](#) webpage.*

Join our team of preceptors:

As a community-based licensed physician in any discipline or specialty you are uniquely qualified to teach and mentor Maryland medical students. You can give back to your community by helping recruit healthcare professionals to your service area.

About our students:

Our medical students are either first-year primary care track, third-year AHEC Scholars, or fourth-year students completing their required Area Health Education Center (AHEC) rotation.

For more information about serving as a preceptor:
